THE TRUSTED WAY

Our mission isn't to break the bank but rather improve the health, comfort and quality of life inside your home. Our team is compiled of professional, NATE certified technicians who are fully capable of answering all your HVAC questions. Our guarantees are among the best in the industry and our **Comfort Club** is designed to offer members an unparalleled value when it comes to HVAC services

OUR HVAC SERVICES ARE TOP NOTCH!

*Have you been burned by HVAC contractors before?
They promise to help but only cause even more damage.*

Rest assured, Trusted Heating and Cooling is different. We service all major brands as well as provide extensive residential HVAC repairs and we won't let you down. At Trusted, we require all team members to accomplish a minimum 100 hours of ongoing training per year to ensure that you only get the very best customer experience and technical service. We are passionate about what we do and strive to be nothing less than the very best.

“Our Family, Keeping Your Family Comfortable.”

NO DIAGNOSTIC FEE, SERVICE CALL OR OVERTIME CHARGES!

As a **Comfort Club Member** you'll never have to wonder how much it's going to cost just for someone to show up, no matter the time or day. **Comfort Club Members** stress less by knowing that they'll never have to pay a service call, diagnostic fee or an overtime charge. Just one more perk to being a **Comfort Club Member**.

FREE THERMOSTAT REPLACEMENT

Worried about your thermostat failing? As a **Comfort Club Member**, if your thermostat stops functioning, we'll replace it with a new version of what you currently have. If you want an upgraded thermostat, you'll only have to pay the difference.

5 YEAR PARTS AND LABOR

Peace of mind has never been easier when you're a **Comfort Club Member**. We strive to only use quality, American made parts and material. With that said, every repair made to your system comes with a Trusted 5 year parts and labor warranty on the replaced component. If the part that we installed fails within 5 years, we'll return and replace the same part at no cost to you.

FREE FIRST POUND OF REFRIGERANT

As you may have already experienced, the cost of refrigerant has reached an all-time high. **Comfort Club Members** will receive the first pound of R410a refrigerant for free if their system is undercharged. (*Does not apply to R22 refrigerant)

90 DAY CLOG-FREE DRAIN GUARANTEE

When proper maintenance is performed, condensate drains should be thoroughly flushed and cleaned. All **Comfort Club Members** receive a 90 Day Clog-Free Drain Guarantee. If your condensate drain line backs up within 90 days after our maintenance visit, we will return and clean the drain again at no cost to you.

5% DISCOUNT ON FULL REPLACEMENT SYSTEMS OR SPECIAL 0% FINANCING.

Comfort Club Members receive an additional 5% discount or special 0% financing when faced with the need or desire to upgrade to a new heating and air conditioning system. All new replacement systems come with an automatic 10 year parts, 10 year compressor and a 3 year labor warranty. Trusted also offers a 5 year No Lemon Guarantee on new replacement systems. The details and quality craftsmanship that accompany our installations ensure that your new system is installed correctly and will deliver worry free comfort for years to come. (*0% financing is based on approved credit)

15% DISCOUNT ON ALL REPLACEMENT PARTS AND ACCESSORIES

There's never a convenient time to have your air conditioner stop working and the cost of repairs today can leave you feeling nauseous, usually hitting your pocket book at the most inconvenient of times. When expensive components within your system fail, homeowners are typically forced into paying for the repair or making their family sweat it out. **Comfort Club Members** rest easy knowing that any repair made to their existing system is accompanied by a 15% discount. (*15% discount does not apply to coil, furnace, condenser, or heat pump replacement.)
